CLAM COLLECTING

Embrace the traditional approach to collecting beach clams!

At the resort's pristine beach, designated sections are set aside year-round for clam collection. Guests are encouraged to explore the age-old practice of beach clam collecting. Expert guidance is provided on employing traditional techniques and tools to locate and collect fresh clam.

In order to ensure the preservation of clam populations on the beach, a restriction of 1 kilogram per session for clam collection is implemented. It is important to adhere to size regulations, as clams measuring 2 cm or larger are allowed for collection, while smaller ones should be returned to the beach.

Duration:

Maximum 1 hour

Price (VND):

1,500,000 per session
(up to 2 guests, include cooking costs if any)

Includes:

Beach tools and instructor, clam preparation by the talented chefs at By The Market or Vietnamese By The Beach restaurant (if any) *
