Drinks List

Crystal Water

To avoid the transportation of bottled water, the associated carbon dioxide emissions as well as plastic waste, we have built our own crystal water plant.

This provides clinically pure, remineralized drinking water to all our guests and hosts. Institute Pasteur in Ho Chi Minh city ascertains our quality, safety and potability of crystal water on a regular basis.

Our goal is to provide clean drinking and cooking water for the whole local community on this island. The entire profit from crystal water goes directly to this project. With the assistance of previous guests, we have been able to build a Crystal Water supply plant for the Con Dao primary schools and the local hospital, and we are continuously contributing to the local community.

Kombucha from Eat Lab

Kombucha tea is a fermented drink made using real tea leaves and a SCOBY, which stands for Symbiotic Culture of (good) Bacteria and Yeast. Kombucha helps your digestion, rids your body of toxins, and boosts your energy. It's also said to boost your immune system, help you lose weight, ward off high blood pressure and heart disease, and prevent cancer.

REMEDY KOMBUCHA - GINGER LEMON 150

A classic with a twist. Hot and sour, fiery and tangy, made with natural ingredients, Remedy Kombucha Ginger Lemon is the perfect tummy-tamer. Fresh ginger adds warmth and spice, while real lemon adds a citrus spark. Full of antioxidants, live cultures and organic acids

REMEDY KOMBUCHA - WILD BERRY 150

Meet the wild child of the Remedy Kombucha flavors – an all-natural blend of strawberry, blackberry and blueberry bliss. Jammy and beautifully aromatic, one sip and you'll be swept away to a warm summer's day. Naturally and chock full of goodness

REMEDY KOMBUCHA - RASPBERRY LEMONADE 150

Just REAL kombucha made the old-school way, brewed over 30 days. Remedy Raspberry Lemonade is a nostalgic childhood flavor upgraded to an all-natural kombucha with no sugar, naturally. This guilt-free, no-sugar fizzy drink is safe for kids and allergen-free
