TURTLE ISLAND

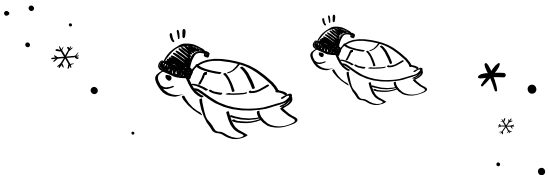

Season's Greetings from Con Dao!

As the year comes to a close, our quiet shores offer a welcome space to pause and reconnect. The arrival of the season brings a renewed sense of wonder and gratitude to our small corner of the world.

Whether you are a long-time friend returning to your island home or a first-time guest discovering the beauty of Con Dao, it is our pleasure to host you for an out-of-the-ordinary festive season, where traditional holiday hustle yields to starlit ocean tides, gentle restoration, and moments of genuine connection.

May your holiday be sprinkled with unexpected delights and memories that follow you long after you leave. As sea turtles make their remarkable journey home, may you find plenty of reasons to celebrate, more time for the things you love, and new adventures that make the year ahead memorable.
